## Perks of Your Membership

**Annual Meeting:** Like a good, reliable umbrella, GKCU has you covered when it comes your finances. As your member-owned cooperative, we ensure the credit union difference covers you throughout the year and your voice is heard once a year at our Annual Membership Meeting. With over 150 people in attendance, we reviewed our financial condition and GKCU is stronger than ever. We also elected new officials; recognized employees and volunteers and, of course, put smiles on faces with drawings for cash prizes. We had a record year with new members, loan and deposit growth, and low delinquencies. We owe all that to you: our Members! [Click here](#) to see highlights from the meeting. For over 30 years of service, we congratulate Anna Marsh and to retiring volunteers Chris Johnson and Jeff McCants, we thank you! We welcome two new volunteers: Alan Bass, Board of Directors and Tim Laugh, Supervisory Committee. If you would like a copy of the 2018 Annual Report, [click here](#).

**Attn: Class of 2019 Seniors:** That time is almost here -- have you sent in your GKCU college scholarship application? **Deadline is March 15** (postmarked). You can also drop it off by any GKCU branch. Be sure to include, with the [application](#), two letters of recommendation, official transcript, and your essay/video. Good luck to all our seniors heading either off to school or into the workforce. GKCU is very proud of all that you will accomplish in your new adventures.

**E-Services make access E-asier!** GKCU is happy to offer a variety of e-services that help keep you connected to your accounts when you're on the go! With Netbranch Online Teller, you can view accounts, transfer money, make loan payments, pay bills online and apply for loans! With GKCU Mobile Money app, you can check balances, transfer funds, make loan payments, plus remotely deposit checks! GKCU was proud to be a sponsor and participant in the inaugural Pathways 2 Possibilities (P2P) Career Expo. The event welcomed over 5,000 eighth graders from multiple counties to showcase a variety of career options - including finance.

Also, GKCU welcomed over 30 students from Sisters In Stem to our office for a tour and class on financial education and learning how to pay bills. Both events definitely showed kids 'adulting' is as easy as we make it seem.
